# 2026 Budget

# Spokane County Request

- The County has asked SRHD to reduce our budget by \$500,000 to \$1,000,000.
- This cut is significant and represents a 25% to 50% cut in support of SRHD.
- SRHD has three discretionary funding streams that cover administrative costs\*, the Spokane County contribution is one of these.
- Discretionary funds account for approximately 11% of SRHD's total budget

# Spokane County Request

- Programs have worked diligently to reduce their expenses
- Various scenarios with the goal of preserving positions and programs
- Working with Budget & Finance Committee to identify the acceptable scenario

# Board Composition

# Board Composition

- **WHEREAS**, the 2025 Washington State Legislature under ESHB1946 (“Act”) passed legislation addressing the compositions and appointments to local boards of health which requires local Boards of Health to include:
- One (1) representative for each federally recognized Indian tribe that holds reservation or trust land within a county (“Tribe”) selected by the Tribe which notifies the American Indian health commission, and
- One (1) representative for each urban Indian organization recognized by the Indian Health services and registered as a 501 (c)(3) organization in Washington that services American Indian and Alaska Native People providing services within a county (“Organization”) selected by the Organization.

# Board Composition

- ESHB1946 went into effect July 27, 2025
- The County passed Resolution 25-0335 on July 15, 2025 (available in your packet)
- Board by Laws are being updated in today's meeting
- Tribes and Tribal Organizations are not required to have a representative on the BOH
- Once a Tribal representative is identified and submitted to SRHD
- SRHD will notify the American Indian Health Commission
- SRHD has 60 days to have the representative join the Board.
