RESOLUTION NO. 24-06

RE: RESCINDING ADOPTION OF IMPLEMENTATION PROCEDURES RELATED TO FORMER RCW 58.17.110 (1990).

WHEREAS, in 1990, the Washington State Legislature adopted SHB 2929 which amended RCW 58.17.110; and

WHEREAS, the revisions to RCW 58.17.110 included, in part, a requirement that the city, town, or county legislative body not approve a proposed subdivision unless the city, town or county legislative body makes written findings that appropriate provisions have been made for adequate potable water; and

WHEREAS, Spokane County Health District was the local health jurisdiction with the responsibility to confirm the adequacy and potability of water to the subdivision based on information provided by other regulatory agencies; and

WHEREAS, on October 18, 1990, the Spokane County Board of Health adopted implementation procedures for Spokane County Health District's evaluation and confirmation of compliance with the revisions to RCW 58.17.110 related to adequate potable water; and

WHEREAS, the Liquid Waste program of the Environmental Public Health Division needs to review and revise the implementation procedures from time to time; and

WHEREAS, it is not necessary or appropriate to bring such proposed changes before the Board of Health for every revision; and

WHEREAS, the Liquid Waste program of the Environmental Public Health Division requests that the Board of Health rescind its prior adoption of the implementation procedures to allow for greater flexibility to make appropriate revisions to the implementation procedures;

NOW, THEREFORE, BE IT RESOLVED THAT: The Board of Health for Spokane Regional Health District hereby rescinds the adoption of the implementation procedures as referenced in the minutes of the Board of Health meeting held on October 18, 1990.
