

Medical Reserve Corps of
Eastern Washington

Thank you for your interest in the Medical Reserve Corps (MRC) of Eastern Washington and willingness to join our team. The mission of the MRC of Eastern Washington is to coordinate and supplement existing emergency response capabilities. Through your commitment, we will become a vital component of our country's effort to quickly and effectively respond before, during, and after a public health emergency.

Attached to this document is the Greater Spokane Emergency Management Volunteer Application. Please complete and sign the application on the appropriate pages. A current copy of your Driver's License or other government issued photo ID must be submitted with your completed application.

Send completed application and a copy of your Driver's License or other government issued photo ID to:

MRC Coordinator
Spokane Regional Health District
1101 West College Ave., Room #403
Spokane, WA 99201
Office: 509-324-1451
Fax: 509-232-1706

The Federal Emergency Management Agency (FEMA) has developed a series of courses to assist volunteers in understanding the history, features, principles, and organizational structure of the Incident Command System (ICS). They are required of all Emergency Volunteers. You can complete this online training at your leisure. Proof of completion of these courses should be submitted to the address listed above.

IS-100.b- Introduction to Incident Command System, ICS-100:
